4.2.1 - Library is automated using Integrated Library Management System (ILMS)

College Library is one of the oldest girls degree college library in Surguja Division. It spreads in an area of 4800 sq ft. The library is located in a separate building. The collection includes more than 39000 books, 5 magazines. During the last five years 2500 books were bought. The collection of books include documents covering a wide range of subjects from English literature, pure sciences, arts, history and social sciences, languages etc. The library is automated, and has a spacious reading hall and reference section. The reading area can accommodate 125 users at any point of time. The library is automated with integrated library management software KOHA (OPEN SOURCE). The various housekeeping activities of the library such as data entry, issue and return and renewal of books, member logins etc are done through the software. The Books are classified according to Dewey decimal classification with main class. OPAC (Online public access catalogue) service is also provided where the users can search the collection of books by title, author, publisher etc. The books are being bar coded and the users are given unique barcode ID. Apart from the printed books the library is having access to e resources of NLIST which is a part of e shodhsindhu consortium of INFLIBNET, where the users are given awareness and made to access browse and download e books, e journals, databases etc. The new books are displayed on the OPAC. User orientation is provided at the beginning of the year regarding the various facilities services and resources available in the library. The library provides reprographic service and internet service. The Internet room is provided with 10 systems with 100 Mbps. For Enhancing security 06 closed circuit cameras have been installed. Fire safety units are also available. The Library is provided with Wi-fi facility.
